Organization	Relation	
Calgary Grizzlies Speed Skating Club	Father	 Manage this member
Calgary Grizzlies Speed Skating Club	Son	 Manage this member
Calgary Grizzlies Speed Skating Club	Mother	 Manage this member

Once you have reviewed the profiles and all family members are added, you are ready to proceed with registration.

******* At least one parent/guardian requires an SSC/AASSA Associate Membership so we recommend starting with this registration. If you have multiple skaters with the Grizzlies, it is only necessary to purchase one Associate Membership at the current cost of \$21. The skaters' program fees have been reduced by \$21 such that the combined cost of the Associate Membership and the Program being registered for will total the prices published on our Website.

Click on Manage this member for the first member you wish to register. Once you have clicked on Manage this member, click on Registrations and then click Register Here. A list of programs will populate.

For the Parent Associate Membership, select Parent/Volunteer Membership and click Join.

You will then be prompted to review the Waiver & Consent as well as the Photo/Video consent.

Once you have completed the Waivers, you can click Next Step and you will be directed to the payment screen where you can select Proceed to Checkout and make your payment with Visa or MasterCard.

You can now register the next family member. Skater registration follows the same steps as above except you will choose the skating program you wish to register in. At this time, there is no basket at the checkout stage so each member has to be registered and paid for separately.
